.Group association on pictures

.Association on words in different ways: rime, sentences etc.

.Group or individual write a poem with inspiration in the association work

E45 (The name of the highway)

Far away from home

All alone

There he walks

He doesn't know where he is

or where he is going

His family is gone

His friends are gone

Everything is gone

Left is only him.

Lonely he walk on the highway E45

Now he knows where he is going

His is aiming for Sweden

He ends at the border

Police everywhere

“You are not wanted” the police says

and now he walk again

on the highway E45

Not knowing

where he is heading

Far away from home.
