

Workshops European Summer Academy

European Identity in Times of Crisis (EITC)

European Summer Academy 2017: Myths of Europe – April 29th to May 8th

Title: Poetry

Workshop Trainer: Jan and Susan from Denmark

Workshop description

The workshop will concentrate around the subject *Myth Of Europe – a new narration*. The participants will submerge in the world of poetry and let themselves be inspired by Greek culture, nature and of course the feeling of Greece. But why? Because Greece is the cradle of Europe! They have been given Philosophy, Democracy, European Identity and many other significant aspects. In such an extent that the topics on the subject *Myth Of Europe – a new narration* are almost infinite. The participants will be introduced to different kinds of poetry e.g. A social realistic poem presented on a B/W picture produced on a cell phone. The participants will then produce poems combined with cross media-tools limited only by the subject and their imagination.

Material needed

Cell phone, laptop and a free tool editing program
